Message from the Pastor:

One of the highlights of this month's ministry at Faithview is our annual Vacation Bible School (VBS). I'm so excited that we actually get to have a fairly normal VBS this year. Virtual VBS (what we were forced to do last year because of COVID) was fun, but I'm looking forward to all the smiling faces and energy that is characteristic of a more "normal" VBS. I'm thankful for the many adults who make this ministry function properly. I'm thankful for the servant heart of our church members who volunteer to serve that week. I'm thankful for the parents who trust us with their children for a week. I'm thankful for the students who come to learn more about Jesus!

If you have children, grand-children, or great grand-children of age, please ensure they are a part of this fabulous week of ministry. It might possibly be a week that changes their eternity! If you don't have children of age, please join me in praying for this ministry. Pray for seeds to be planted. Pray for salvations. Pray for safety. Pray for strength for our workers. Pray for good, Christ-like attitudes for children and adults alike. May God be greatly glorified through our efforts this month!

This will be our youth VBS this year. This will give our students the opportunity to serve during regular VBS and learn how to share the gospel through their spirit lead talents and gifts. We will have devotion, slip and slide kickball, food, and more.
